DISTRIBUTOR PRICE INCREASE ANNOUNCEMENT

Dear Valued Customers,

At SAGIPER North America, we have worked diligently to maintain a stable cost structure, ensuring a reliable and cost-consistent option for the construction industry. Our last official price adjustment was in 2023, reflecting our commitment to price stability despite market fluctuations.

However, recent shifts in U.S. federal policy have led to a significant depreciation of both the Canadian and U.S. dollars against the Euro. As a result, we must regrettably implement price adjustments on the following items, **effective Monday, April 14, 2025**:

PRODUCT LINE:	% INCREASE:
SAGIWALL - PVC PANELS & ALUMINUM ACCESSORY TRIMS	6%
SAGIREV - PVC PANELS, & PVC/ALUMINUM ACCESSORY TRIMS.....	6%
SAGIBATTEN - ALUMINUM BATTENS AND ACCESSORIES	6%
SAGIBOND - FIREGUARD, HEXACORE & SLIMSHIELD	6%
SAGISCREEN - ALUMINUM BATTENS (PICKETS)	6%

See corresponding price sheets for full itemized new list prices:

FREIGHT PREPAID (BC, SK & MB) POST MAY INCREASE V.5

FREIGHT PREPAID (ON/QC) POST MAY INCREASE V.5

EX WORKS (AB) POST MAY INCREASE V.5

Should there be any questions, please do not hesitate to contact us.

We appreciate your understanding and continued support.
