

February 18, 2025

Dear Valued Partner,

As you plan your business forward it is important we provide you with advanced notice of an upcoming price increase as a result of, domestic and international market pressures. As a result, we will need to increase the pricing of our products, effective April 1, 2025. The adjustments are listed below, and will be effective for shipments after this date, regardless of the date of order. That said, we will do our best to ship out all orders placed prior to the effective date.

Fasteners	9-11%
Plates	15-20%
Termination Bar	15-20%
Pipe Flashing	6-12%

We are currently working on updated price books and will send these out as soon as they are completed.

Thank you for your business and continued support.

A handwritten signature in black ink, appearing to read 'Tarrah Wynn', with a long, sweeping line extending to the right.

Sincerely,

Tarrah Wynn
General Manager
